Angle drills

With collet

WATT: 150

(*) Can be fitted with special chuck for 70 mm Ø (max) discs for finishing work.

Data sheet
ERG988P

Description

The OBER drilling range has straight drills, gun drills and angle drills for all applications. The semi-automatic units are ideal for drilling and boring work stations and transfer stations.
OBER portable drills provide the best possible combination of ergonomics and safety. Designed specifically for industrial applications, OBER drills are light to handle and easy to use. They ensure high-performance drilling, increased productivity and reduced operator fatigue.
Reversible versions are available. The twin direction of rotation enables combined drilling operations.

Technical specification

Model	ERG988P
Code	8201552
No-load speed - rpm/min	660
Drilling steel - Ø mm	8
Length x Height - mm	227 x 74
Body - ø mm	41
Weight - Kg	1,09
Air Connection	1/4” GAS
Consumo aria - Nl/min	260
dB (A)	75
